

RECYCLING EVENT

For Newton Businesses

Computers, TVs, Electronics,
Fluorescent Bulbs, Ballasts,
Batteries & Mercury Devices

When:

Friday, April 21st from 9am to 11am

(in order to attend, **businesses must register by April 14th**)

Where:

Rumford Ave. Recycling Depot in Auburndale

What:

Computer Monitors and TVs: Because they contain substantial amounts of lead, **Computer Monitors and TVs are banned from landfills and incinerators in Massachusetts.**

Other computer components, peripherals, and electronics: Other computer components and electronics, including printers, fax machines, copy machines, VCRs, telephones, etc. contain metals, capacitors, batteries, and other materials that are recyclable. Though these items are not banned from landfills and incinerators, they are recyclable and may be recycled at this event.

Fluorescent lamps and ballasts: Fluorescent bulbs contain mercury (a neurotoxin) and are considered a universal hazardous waste. **It is illegal for any business to dispose of fluorescent bulbs with regular commercial waste.** Ballasts manufactured prior to 1979 may contain PCBs or DEHP and should not be disposed of with regular commercial waste. Other Ballasts may be recycled at this event.

Batteries: Many batteries contain hazardous materials that should not be disposed of with regular waste. *Rechargeable batteries* used in laptop computers, cell and cordless phones, power tools, etc., *Lead-acid batteries* used in security systems, etc., *Button batteries* used in laser pointers, watches, hearing aides, etc., *Lithium batteries* used in cameras, etc., and additional batteries are also collected (see reverse).

Mercury Containing Devices: Mercury fever thermometers, thermostats, barometers, blood pressure cuffs, mercury switches, elemental mercury, etc.

How:

Businesses must register in advance, deadline is April 14th. To register, complete the information on the reverse and fax it to Amanda at Onyx at 781.341.6088, or email aepoverchuk@onyxsp.com. Businesses will receive an invoice after the event based on actual quantities. Please store and transport fluorescent bulbs in their original packaging. Large facilities may arrange for pick up at their facility for an additional fee. Call Onyx for details, 800.478.6055

Costs:
