Re: Newton North Site Plan Discussion on Wednesday, July 19  
Date: July 14, 2006

---

Board Colleagues,

The Public Facilities Committee will meet on **Wednesday, July 19, 2006 at 7:00 p.m. in Room 209** to continue deliberations on the Newton North High School Site Plan. All Board members are welcome, and encouraged, to attend. Members of the Board should expect a delivery on Tuesday, which should include the responses to questions from the last meeting as well as an updated draft board order.

The agenda is as follows:

- Presentation by the design team of views around the site
- Presentation of the different options before the committee
- Clarification of the answers to previous answers
- Question and answer period
- Discussion of the draft Board Order

I would ask my colleagues to look carefully at the conditions in the draft board order to be sure that all concerns have been addressed.

Thank you and I look forward to a productive meeting on the 19<sup>th</sup>.
