Daily Special Events At The Funtastic December Vacation Program – 2008

Monday December 29th

Curious Creatures Live Animal Show – Get up close and personal with a variety of animals including alligators, frogs, lizards, arachnids, turtles, rabbits, snakes, chinchillas, flying squirrels and many more! Meet the animals, hear interesting stories and information about them, and touch of few of the star animals.

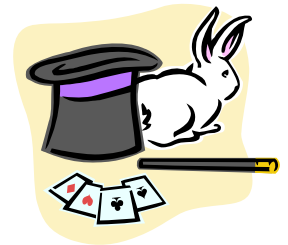

Tuesday December 30th

Starlab Portable Planetarium from the Museum of Science – View the night sky during the day in this special portable planetarium. See that not all stars are the same. Learn how to find specific stars and planets in the sky and recognize patterns and constellations the way scientists do

Wednesday December 31st

Philip and Henry Magic Show – Hold on to your hats! This state of the art magic show is especially for kids and combines amazing magic, big laughs and hilarious surprises. Become a part of the show and help make the magic happen.

Friday January 2nd

Ahead of the Game New Year's Celebration – Celebrate the New Year with Ahead of the Game. You'll have so much fun playing a variety of games, party activities and listening to great music that gets everyone up and moving that you'll never want to go home.
