Campers will not be allowed to attend camp if the tuition has not been paid. If needed, parents can set up a payment plan in order to pay off camp before the summer. Scholarships are available to Newton residents that qualify. Call the Parks and Recreation Department for more information.

STAFF

The strength of the program lies in our qualified, enthusiastic, caring and responsible camp staff. Well-motivated professionals are teamed with carefully screened high school and college students to provide the skills and energy needed to ensure the success and enjoyment of each camper. Many former campers return year after year to become CIT's and counselors. Staff are certified in First Aid and CPR. All staff must pass Cori/Sori checks to work at the program. The staff and the program meet the Commonwealth of Massachusetts Camping standards and the Newton Health Department licenses the program.

PARENT INVOLVEMENT

Parents are encouraged to talk with their child's counselors on the first day of camp and throughout the summer. You know your child best. It is helpful to let the counselors know information about your child that will ensure your child has a great time at camp.

If you come to camp during the day, please report to the camp office for a visitor's pass. It is important for camp staff to know that you are a visitor at the camp and not a stranger. If you choose to visit, please remember that counselors and other staff must spend their time with the children and may not be available to talk with you. If you have any questions or concerns that need to be addressed please schedule a meeting with the director and counselors at a mutually convenient time. Parents interested in viewing camp policies and procedures should submit a written request to the Parks and Recreation office.

To respect the rights of all campers, please do not take pictures of children other than your own without the camp's permission.

CAMPER EXPECTATIONS

For the enjoyment and safety of everyone involved at Centre Acres, campers are expected to adhere to the following rules while at camp:

1. Listen to the counselors or leaders at all times.
2. Stay with your buddy/group at all times.
3. Never go anywhere alone. Tell a counselor or leader if you need to leave the group and they will send somebody with you.
4. Respect the rights of others and treat others with the same respect and dignity with which you expect to be treated.
5. Fighting, bullying, or aggressive behavior toward staff or campers will not be tolerated.
6. Destroying or stealing property belonging to another person or camp will not be tolerated.
7. Please do not bring money, toys, discmans, cell phones, or other unnecessary belongings to camp to avoid misplacing or losing such items.
8. Most important – HAVE FUN AND ENJOY THE SUMMER!!!!!!

BEHAVIOR MANAGEMENT

For various reasons, children sometimes exhibit inappropriate behavior. The staff will assist the child in the learning process of appropriate and acceptable behaviors at camp.

If a child is misbehaving, group counselors will try to give the child choices to change his or her behavior. Counselors will reinforce improved behavior and compliment acceptable behavior. If a child is not responding to their counselors and continues to exhibit inappropriate behavior, he or she will be brought to the camp office. Once at the camp office, the director and counselor will talk to the child about their behavior. If necessary, the child's parents will be called.

Any child showing aggressive or abusive behavior towards themselves, other campers or staff will be sent home and a report will be filed in the camp office. Depending on the severity of the offense, the child may be allowed back to camp the next day.

ARRIVAL AND DISMISSAL INFORMATION

Swimming is an integral part of the camp experience and we are fortunate to have the Crystal Lake so close to the camp. Swimming will occur each day unless we are on a field trip or the Lake is closed. Swimming lessons are not provided at camp.

During swimming, counselors will be in the water and on the Lake shore/docks to supervise campers, and lifeguards will be on duty as usual. Campers who do not want to go swimming will go to Crystal Lake and play games with counselors in the grass picnic area.

When extreme hot weather occurs Centre Acres will have water activities at camp. Staff will supervise a wide variety of water activities.

THEME WEEKS

Each week of camp will have a special theme. Activities, special events, and field trips will revolve around that theme. Please refer to the camp calendar to find out what this year's theme weeks will be.

SPECIAL EVENTS

Special events help to enhance the camp experience. Whole camp special events will be on Wednesday afternoons (when there is not a field trip) and on Friday afternoons. Each special event will be based on the theme of the week and will offer many activities such as hired entertainers, arts and crafts, music, sports, games, and cooking. Past special events have included Big daddy Racing, Concerts on the Green, Rainforest Reptiles show, Camp Carnival, International Day, Camp Olympics, and the Camp Show. Please refer to the camp calendar for a listing of this year's special events.

FIELD TRIPS

Throughout the summer, campers will go on off site field trips to enhance their camp experience. While on field trips, campers will adhere to the **BUDDY SYSTEM**. Like at camp, campers will be supervised at all times while on a field trip. Past field trips have included the Museum of Science, the New England Aquarium, Roller Kingdom, the Auburndale Cove, and the West Newton Cinema. Please refer to the camp calendar for a listing of this year's field trips.

Every camper will receive an Centre Acres T-shirt. Camp T-shirts must be worn on field trip days. Additionally, on field trip days, campers should pack their lunch in a paper bag with their name on it. Transportation to and from the field trips will be by hired school bus or Parks and Recreation Department vans.

INCLUSION PROGRAM

At Centre Acres we believe that all children should have the opportunity to participate in a summer camp experience. The Newton Parks and Recreation Department works closely with the Newton School Department to place students from inclusive classrooms into Newton summer camps. These children receive additional assistance at camp to ensure a successful experience.

FIRST AID

If campers get bumped or scraped while playing they will be taken to the camp office for first aid. Only staff certified in CPR and First Aid will be allowed to treat injuries that campers receive while at camp. Any time that first aid is administered to a camper, the date, camper name, injury, treatment, and the person administering first aid is recorded in the first aid log book in the camp office.

If the injury is severe and 911 is called, parents will be contacted immediately. If the parents can not be reached, the emergency contact will be called. If a child needs to leave camp in an ambulance, a staff member will travel in the ambulance with the child and stay with the child until a parent or the emergency contact arrives.

HEALTH AND ILLNESS

Centre Acres Summer Program is certified by the Newton Health Department. In addition, Centre Acres makes a strong effort to prevent the spread of illness by encouraging hand washing and keeping the facility clean and disinfected.

If your child is not feeling well during camp, every effort will be made to care for them at camp. However, should your child be better cared for at home, you will be asked to make arrangements for them to be picked up. Please do not send your child to camp if they are vomiting, have a fever, diarrhea, chicken pox, conjunctivitis, or any other illness that may be spread through contact.

On the first day of each week of camp, staff will do head lice screenings on all of the campers in their group. Any child found to have head lice or nits will be sent home until they have been appropriately treated and the child is free of lice and nits.

MEDICATION

If your child will be taking any kind of medication that they will need to be given at camp, you must notify the Camp Director. The camp is only able to administer oral medication, inhalers, and epi pens. Parents must fill out the appropriate paperwork per Health Department and State regulations. No child will be able to receive medication at camp without completion of the appropriate paperwork.

Medication must be brought to camp in its original container with correct administration and dosing information written in English. All medications (with the exception of inhalers and epi pens) will be stored in the camp office in a locked cabinet.

Any campers needing an inhaler or epi pen will be allowed to keep that medication with the group at all times. Staff will be responsible for carrying the epi pen or inhaler to administer as necessary.
