Project title: River Street Swings

Project location (*full street address with zip code*):  
**River Street, West Newton MA 02465**

Year CDBG Funds requested: **FY11**    FY12    FY13    FY14    FY15

CDBG Access funds requested: \$ \$12,500

Other funds to be used: \$0.00

Project Summary (*the project summary should: describe how the project addresses the removal of barriers to access, specify the company, contractor, non-profit, or City department that will complete design work, construction, installation and/or provide materials and explain who will be responsible for maintaining the project*). Note: bids in the amount of \$5,000 and over must go through a public bidding process. Projects over \$2,000 are subject to Davis-Bacon Act federally prevailing wages.

**Replace 620 square ft. of manufactured wood fiber safety surfacing with rubberized pure in place for accessibility to the swings. The Parks and Recreation take pride in our efforts to have accessible playgrounds. Unfortunately, there never has and we don't foresee in the future sufficient funding to install, replace or upgrade playgrounds. Any new or updated playgrounds are community driven through fundraising. Parks and Recreation will prepare a design showing the area to be changed as well as prepare bid documents. Parks and Recreation will maintain the site after the project is completed.**

### **SECTION 3. PROJECT TIMELINE**

Use the table below to provide a project timeline (including proposed start, completion dates, and any other steps):
