RE: Noise Ordinance Waiver
Newton North High School
Dimeo Project No. 714-06

Dear Mayor Warren,

As you know, the current construction activities at the Newton North High School Project will constitute working some required weekends and some holidays. On a few occasions, Construction activities that are critical to the completion schedule for the building will need to work on holidays.

Dimeo Construction is aware that pursuant to section 20-13 (f)(2) of the City's Noise ordinance, the generation of noise from the outdoor construction activities is prohibited on holidays.

Unfortunately, however, Dimeo Construction does not have control over the time associated with the inherent sequence of work. While we are committed to avoiding the needs to conduct these construction activities on holidays, these days are needed to maintain an already tight schedule.

Accordingly, pursuant to the provisions of Section 20-13 (h)(1) of the Noise Ordinance, Dimeo is requesting a temporary Permit for Exemption from the Noise Ordinance's time on Monday January 18, 2010 from 7:00am to 3:30pm.

Should you have any question regarding this matter, please feel free to contact me directly.

Sincerely,
Dimeo Construction Company

Michael Capozzi
Project Superintendant
